

MESSAGE FROM THE ICAC TO THE COUNCIL OF TCISPA & CITIZENS OF TURKS & CAICOS

The ICAC has been monitoring news reports on Hurricane Irma and its impact on the Caribbean.

We are deeply saddened by the trail of devastation the hurricane has left on the Turks & Caicos and other neighbouring islands. The ICAC empathizes with the people of Turks & Caicos who have experienced personal loss and devastation to their island home.

The ICAC affirms its commitment to assist in any way possible the people of Turks & Caicos during the recovery and restoration process

We cannot choose our external circumstances, but we can always choose how to respond to them. - Epictetus
