

## IFRS INTERPRETATIONS COMMITTEE MEMBERS

The Trustees of the International Financial Reporting Standards Foundation invite applications from suitable candidates to fill one vacancy on the IFRS Interpretations Committee ('the Interpretations Committee').

The **Interpretations Committee** is the interpretative body of the International Accounting Standards Board (IASB). It consists of fourteen voting members under the non-voting chairmanship of **Wayne Upton**. The role of the Interpretations Committee is to interpret the application of International Financial Reporting Standards (IFRSs) to ensure consistent accounting practices throughout the world and to provide timely guidance on financial reporting issues that are not specifically addressed in IFRS, within the context of the IASB's *Conceptual Framework*.

When considering candidates, Trustees will look for individuals who:

- have a high level of technical expertise;
- add to the diversity of the Interpretations Committee in terms of international business;
- have market experience in the practical application of IFRS Standards and analysis of financial statements prepared in accordance with IFRS Standards; and
- can serve in an individual capacity and demonstrate their independence.

The successful candidate will be appointed to serve for a term that will begin on 1 July 2016 and that will expire on 30 June 2019. The term may be renewed for a further three years. Members are expected to attend, in London, approximately six two-day meetings each year. Membership is unpaid, but the IFRS Foundation meets members' reasonable travel expenses incurred for Interpretations Committee business.
